

A person is seen from behind, wearing a red t-shirt and a black mesh backpack. Two vertical black poles are attached to the backpack, each topped with a white antenna. The person is walking outdoors, with trees and a blue sky in the background. The image is framed by a large blue circle on the left and a white circle on the right, with a blue grid pattern overlaid on the bottom right.

WALK TEST KITS FOR SCANNING RECEIVERS

**Convenient In-Building and
